The LEA where the private school is located is responsible for conducting child find for parentally placed private school children attending private schools *located in the LEA*. Timely and meaningful consultation	Federal requirement that LEA must expend (using State and local funds) at least as much as they did previous year on education of children with disabilities. Two standards: Eligibility: LEA must *budget* at least as much as was expended during the previous year. Compliance: LEA must *actually expend* at least as much as was expended in last year for which MOE was met (comparison year). Eligibility worksheet compares three years of overall expenditures and per pupil expenditures Must meet in one of four methods for each year. Exceptions and Adjustments can be taken

Compliance: LEA must *actually expend* at least as much as was expended in last year for which MOE was met (comparison year). Eligibility worksheet compares three years of overall expenditures and per pupil expenditures Must meet in one of four methods for each year. Exceptions and Adjustments can be taken	An LEA must spend at least the average annual per student expenditure on the education of an elementary school or secondary school child with a disability before funds under Part B of the Act are used to pay the excess costs of providing special education and related services. IDEA funds must be used only to pay the excess costs of providing special education and related services for children with disabilities Must be used to supplement state, local, and other Federal funds and not to supplant those funds.
