The OrganWise Guys

Georgia Department of Education
Dr. John D. Barge, State School Superintendent

Georgia School Nutrition Program

Georgia Department of Education—School Nutrition Program
Presents:
School Nutrition Managers' Conference 2014

School Nutrition Managers – Building a Healthy Future!

All training sessions will be presented by GaDOE-SNP state staff and will include:

- The Healthy School Meal Patterns (new meal patterns from USDA)
- Identifying Reimbursable Meals
- Meal Counting Responsibilities for Managers
- Food Production Records and the Food Buying Guide
- Sending Positive Messages in School Nutrition

and MORE!

This timely training will be held on:

February 11-12, at the Classic Center in Athens, and
February 25-26, at Lake Blackshear Resort, just outside of Cordele.

Managers will have an opportunity to earn Advanced TID Course credit in conjunction with attendance at the GaDOE School Nutrition Managers' Conference 2014. The Conference will be ten (10) hours of on-site training in Athens or Cordele. To earn TID (30 hours) credit, four projects, based on the conference training sessions, must be completed after returning to their schools. The supervisor should review the "homework projects" and sign-off for a Course Completion Certificate. Registrations of Classified Manager I's and II's will be accepted first, because this is for an Advanced TID course (TID 11g#) credit. If space allows, Classified Manager Trainees will be accepted. Due to space limitations, only two (2) Classified Managers per system will be accepted.

Note: This TID course credit will not count toward completion of Core TID courses required in the first five years of employment.

IMPORTANT for 2014! We know training budgets continue to be tight, so GaDOE-SNP is again including two (2) nights of lodging in Athens at the Holiday Inn Express (February 10-11) and at Lake Blackshear Resort (February 24-25). The registration fee is only $50 per person and includes two breakfasts, one lunch, and two nights of lodging. You can't beat that!
We will also be promoting all the OrganWise Guys™ resources that have been placed in school media centers and in cafeterias.

Read on for the tentative conference agenda, registration, and lodging information.
Remember, space is limited, so complete your registration today. Registration deadline is February 1st.
Hope to see your Classified Managers at The Classic Center or Lake Blackshear Resort in February!
If you have any questions, please contact Dr. Lynn Davis, ldavis@doe.k12.ga.us.

SN Managers – Building a Healthy Future!
