Practice Activity #1
Actividad de Practica #1

Directions for "Beat Yourself"--This activity can be done with ANY book. Pick a starting spot. Read ORALLY for one minute. When the timer goes off you start over at your original starting point. Time again for one minute and "try to beat yourself" by reading farther. Using your child's leveled reader ensures he/she is practicing on an independent level. Repeated reading builds fluency!

Directions for determining fluency rate: Keep in mind the more a child rereads the passage the more words they will be able to read within the minute. When counting the words read correctly in one minute you do not include the words that are skipped or misread. If your child doesn't know a word after 5 seconds tell them the word and move forward in the passage.
