Fluency Tic-Tac-Toe

Use the board to read the passage 3 or more times. Try to get 3 in a row or a blackout!!

Read with a whisper voice.	Read with a scared voice.	Read with a monster voice.
Read like you are a mouse.	Read like you are very sad.	Read like you are very excited.
Read with a mad voice.	Read with a silly voice.	Read with an old person voice.
