Parent Feedback Form

* Our October parent meeting will focus on helping your child with reading. Please give us some feedback on the following questions. This will help guide the planning of our next meeting.

1. In what ways do you motivate and help your child with reading at home?

2. In what specific areas do you struggle when helping your child with reading (phonics, sight words, comprehension)?

3. What questions to you have about how reading is taught?

4. Suggestions for upcoming meetings…Math Workshop, Writing, Setting Goals for Your Child, etc.

5. Are there any new resources you would like to see in your Parent Resource Center in addition to what we currently have?

September Feedback 2012
Form available throughout the month of September at the September Parent Involvement Meeting and in the Parent Resource Center
