Inferences

- An *inference* is an idea or conclusion that is drawn from evidence and reasoning from written text. An *inference* is an educated guess.

3rd Grade Reading Fluency Classroom Data

Incredible Inferences Activity #1

- Directions:
- Students identify inferences by reading clues.
- Place inference cards face down in a stack. Provide each student with a different inference triangle and game pieces.
- Taking turns, students select a card from the stack and read it.
- Look for phrase on triangle that answers the question. Read phrase and place game piece on that spot. Place inference card in a discard pile.
- If no phrase is found which answers question, place trivia card at the bottom of the stack.
- Continue activity until all matches are made.
- Peer evaluation
