How Can the PRC Benefit You?

Our goal is to provide parents, grandparents, and guardians with information and resources that support student achievement.

We provide support for reading and math skills, homework, study strategies, social skills, and parenting tips. All materials are available for check out. We encourage parents to keep the resources for a few weeks before returning them. The Parent Resource Center also contains free parenting brochures that cover many current issues.

What is a Parent Resource Center?

The Parent Resource Center is funded by the Title I Program (a federal initiative supporting *No Child Left Behind*). Our resource center is available to **all** Allgood parents, grandparents, guardians and teachers. It is a lending library designed to bridge the connection between school and home.

The Parent Resource Center Provides:

- Activities, instructional games, and practice materials to support reading and math
- Brochures and pamphlets to help you support your child's education.
- Leveled books and a guide to selecting the correct book for your child.
- A Computer for parent/guardian use.
- Instructional games and books in Spanish.
- Books and videos covering manner parenting issues
- Copies of Title I documents: Allgood's Schoolwide/School Improvement Plan and Parent Involvement Policy, Paulding County's District Parental Involvement Policy and the LEA Plan.

How Are Materials Checked Out & Returned?

- Parents are welcome to come in and sign out materials. We ask that you keep the items for a few weeks and then return them to school.
- Teachers may check out materials for students and send them home.
- Parents may request materials for a specific reading or math skill and the materials will be sent home with the student.
- When returning materials, parents may:

⇒ drop off materials in the Parent Resource Center

⇒ drop off materials in the return basket in the main lobby

⇒ send materials back with students
