

Significant Developmental Delay (SDD) Overage Students

Overage SDD Students

- SDD eligibility may be used for children ages three through the end of the school year which the child turns nine
- LEA notified earlier this school year of overage SDD students
- LEA must complete any overage SDD reevaluations immediately
- Overage SDD students not reevaluated by student record signoff may necessitate corrective action
- Includes Parentally Placed Private School Students
- Plan ahead to monitor age for SDD students
