

July 19-22, 2021

8:30 AM - 3:30 PM daily

Virtual Conference

All K-12 mathematics teachers in Georgia are invited to join MathCON for Teachers to learn about Georgia's K-12 Mathematics Standards and learn strategies to support increased student success. We invite you to come and engage with classroom teaching professionals from all over the state!

[Register Here](#) - Reserve your spot today!

Opening Keynote:

Marilyn Burns

Mathematics Leader/Author

Closing Keynote:

Graham Fletcher

Mathematics Leader/Author

Daily Sessions Will Provide Opportunities to:

- engage in four days of rich grade-level specific content
- explore specific big ideas from the new Georgia Mathematics Standards
- explore the importance of mathematical modeling and the Standards for Mathematical Practice
- engage and explore important mathematical concepts
- network with others from across the state
- reflect on your learning throughout the day
