Today's Data Elements

- School Entry Code
- School Entry Date
- Withdrawal Code
- Withdrawal Date
- Days Present
- Total Days Absent
- Diploma Type
- Career Awareness Lessons
- Career Portfolio
- Career Interest Inventories
- Individual Graduation Plan
- Capstone Project

School Entry Code

SR Description

Enter the code that describes the student's reason for enrollment in the school this school year. The school entry code is also referred to as the enrollment code.

SR Enrollment Level

The code must be one of the valid SCHOOL ENTRY CODES. Errors are generated when the following scenarios exist: 1. A student level record is reported for the student, but no enrollment record is reported. 2. The school entry code is inconsistent with data reported in the current or previous collection.

SR Enrollment Report

Verify data on ENR022 – School Entry Reason Report. It provides information on school level data. To see the detail for each student, go to the Ad Hoc Query on the Special Tools Menu. Select the **Enrollment** layout. Select all data elements from the list and click 'Go.' The Filter Selection is optional. To get the entire file, click 'Get Results.' Download the file to Excel.

School Entry Date

SR Description

Submit the date the student enrolled in the school this school year. The date must be a valid date in the current fiscal year. No-show students should not be reported.

SR Enrollment Level

The SCHOOL ENTRY DATE must be in YYYYMMDD format. Errors are generated when the following scenarios exist: 1. The entry date is prior to the withdrawal date on another enrollment record for this student. 2. The student enrolled in a school after another school reported the student as graduated this fiscal year.

SR Enrollment

To see the detail for each student, go to the Ad Hoc Query on the Special Tools Menu. Select the **Enrollment** layout. Select all data elements from the list and click 'Go.' The Filter Selection is optional. To get the entire file, click 'Get Results.' Download the file to Excel.

Withdrawal Code

SR Description

Identifies the reason for the student's withdrawal from school this school year. Include all students who have withdrawn from school since July 1, 2014. A WITHDRAWAL CODE and WITHDRAWAL DATE must be entered for inactive students.

SR Enrollment Level

The code must be one of the valid WITHDRAWAL CODES. Errors are generated when the following scenarios exist: 1. A student was reported as graduated or deceased at more than one school. 2. The withdrawal code is inconsistent with data reported in the current or previous collection.

SR Enrollment Report/AD HOC Query

ENR019A – Withdrawal Reason Report provides information on school level withdrawals. To see the detail for each student, go to the Ad Hoc Query on the Special Tools Menu. Select the **Enrollment** layout. Select all data elements from the list and click 'Go.' The Filter Selection is optional. To get the entire file, click 'Get Results.' Download the file to Excel.

Withdrawal Date

SR Description

Submit the date of the student's withdrawal from school this school year. Must be a valid date in the withdrawal date range.

SR Enrollment Level

The WITHDRAWAL DATE must be in YYYYMMDD format. Errors are generated when the following scenarios exist: 1. The withdrawal date is missing or after the enrollment date on another enrollment record for this student. 2. The student enrolled in a school after another school reported the student as graduated this fiscal year.

SR Enrollment Report/AD HOC Query

ENR021 – School Attendance Report provides information on school level attendance. To see the detail for each student, go to the Ad Hoc Query on the Special Tools Menu. Select the **Enrollment** layout. Select all data elements from the list and click 'Go.' The Filter Selection is optional. To get the entire file, click 'Get Results.' Download the file to Excel.
