

# Georgia Department of Audits and Accounts

Pursuant to O.C.G.A. §50-6-1, The Georgia Department of Audits and Accounts (DOAA) is created and established to audit all state institutions. On their website, [www.audits.ga.gov](http://www.audits.ga.gov), the audit reports and single audits of each school system are published for the most recent five fiscal years. Additionally, the DOAA is legislatively required to collect certain information in accordance with the Georgia Transparency in Government Act. The Department collects and reports salaries and travel reimbursements, vendor expenditure payments, and SPLOST annual reports. The Open Georgia information is accessed at [www.open.georgia.gov](http://www.open.georgia.gov).

State Charter Schools (LEAs) and the Local Charter Schools audit reports are not reported on the Department of Audits and Accounts' website. To obtain a copy of any state charter school audits, please contact the State Charter School Commission at <https://scsc.georgia.gov/>. To obtain a copy of any local charter school audits, please contact GaDOE at [askdoe@gadoe.org](mailto:askdoe@gadoe.org).
