Compliance Implementation Rubric Rating System

These compliance implementation rubrics should be used by Georgia Title I schools and districts to assist them in understanding and meeting Title I parental involvement compliance monitoring requirements. In addition, the implementation rubrics will help schools carry out effective and strategic parental involvement actions tied to compliance mandates to build parent leadership and capacity. To use:

- 1) Refer to the checked box at the top of each rubric to determine if the parental involvement requirement should be completed at the district-level, school-level, or both.
- 2) Read the identified parental involvement requirement, and review the listed compliance monitoring documentation – check the boxes for documentation that your program maintains.
- 3) Review the implementation rubric to determine your program’s level of implementation for the identified parental involvement requirement.
- 4) Rate each parental involvement requirement as Not Compliant, Meets Compliance, Innovative Implementation, or Exceptional Implementation.
- 5) Determine action steps to address each area that does not meet compliance, and enhance current parental involvement plans to improve current compliance practices.

Please note that while the innovative and exceptional implementation ratings are reflective of strategic and effective parental involvement actions, they are not all-inclusive. Schools and districts are encouraged to implement other innovative and exceptional parental involvement actions as well.
