

GNETS Students, Schedules & Teachers

Example County uses Infinite Campus as the Student Information System and uploads the Student Class file on a daily basis.

School Creation

Create a GNETS Program “school” in Infinite Campus using *System Administration > Resources > School* if you do not already have one.

School Detail	
*Name	*State School Number
GNETS Program	
NCES School Number	*School Org Type

Grade Levels: Not Necessary

Schedule Structure: Main

Terms: Year with the first day and last day of school

Periods: 1 Period

Days: Reset days between first day and last day of school

Security Setup

Set up a User Group with Tool Rights (SLDS, certain Student Information General tabs and Campus Instruction) and Calendar Rights (current year calendars – all schools and the GNETS Program “school”). All GNETS teachers who serve County are added to this User Group.

Student Information

GNETS students are reported from their attendance zone school. The student schedules are reported from the zoned school.

Course Information

Example County has set up separate courses for GNETS. The separate course number allows reporting the .8 State course number with a default code of “4” for FTE.

The screenshot shows the 'Course Information' form in Infinite Campus. The form includes the following fields and values:

- *Number:** 41.0160Y
- *Name:** 5-Science
- Standards-based:**
- Active:**
- External LMS Exclude:**
- State Code:** 41.8160044

The Alternate System Code and Alternate School Code is currently set up on the Course, which is reported on each section. In Infinite Campus, the Alternate System Code and Alternate School Code can also be entered on the section.

The screenshot shows the 'Section' form with two fields highlighted by red boxes and arrows:

- Alt System Code:** A red box with the text "Enter Alt System Code" and a red arrow pointing to the input field.
- Alt School Code:** A red box with the text "Enter GNETS Program Code" and a red arrow pointing to the input field.

The GNETS teacher is reported as the Primary Teacher on the GNETS sections.

The screenshot shows the 'Primary Teacher' field in the section form, which contains the placeholder text "Last Name, First Name".

GNETS Teachers

Example County has collected the Social Security Number of the GNETS teachers they can report them to GADOE. They do not receive errors in Student Class or Student Record for the GNETS teachers.

GNETS teachers should be given the SLDS Role of “Teacher_GNETS” in Infinite Campus. This role should be created by the District’s SLDS Profile Manager on the Infinite Campus side.
