

# SLDS in Five Steps or Less

## Exporting in SLDS

1. At the top of the page you wish to export, click the **Export** button (floppy disk icon) on the navigational toolbar:

2. Click on the desired program.

3. Open the exported file.  
Depending on the browser you are using and the setup of your computer, the file may go into a Downloads folder; show at the bottom of your screen, etc.

### General guidelines:

- Use **Acrobat (PDF)** to produce a static file that can be printed
- Use **Excel** for tables and student lists
- Use **Word** for Student Profile page if you plan to modify the report
