

LDS Parent Portal (PowerSchool)

When PowerSchool designed access to the SLDS Parent Portal, they made it automatic. Once a district upgrades to ver. 9.2.4 or higher, the SLDS Link will automatically show up on the PowerSchool Parent Portal screen (see below screenshot). Parents (or students) will be able to click on the Georgia LDS link and access the SLDS student screen.

The screenshot displays the PowerSchool Parent Portal interface. On the left is a sidebar with various navigation options. A red arrow points to the 'Georgia LDS' link. The main content area shows 'Grades and Attendance' information for a student, including 'Attendance By Class', 'Attendance By Day', and 'Attendance By Program' tables. The 'Georgia LDS' link is located in the sidebar between 'School Information' and 'Account Preferences'.
