

Teacher Dashboard

- 1) Go to website: <http://sldstrn.gadoe.org/sldsdemoweb>
- 2) Click on "View Demo" at the bottom of screen
- 3) Select one of the Student Information System (SIS) Vendors from the list
(ex. Infinite Campus, Power School, SchoolMax, TEMS(Tyler))
- 4) If looking for High School teacher
Click on "Kim Undivided High School" from the School List
Click on "Ash, Michell C" from the Teacher list for 9th Grade Lit
If looking for Middle School teacher
Click on "Drummond Middle School" from the School List
Click on "Barra, Buck" from the Teacher list for 6th Grade ELA
If looking for Elementary School teacher
Click on "Columbus Elementary School" from the School List
Click on "Darnell, Misti S" from the Teacher list for 5th Grade Math
- 5) A Screen will display the typical SIS screen - Select the SLDS icon.
(The SLDS icon looks different for each software Vendor)
- 6) The next Screen that "pops up" is the standard "Teacher Dashboard"
(this is what all Georgia Public School Teachers will see)
- 7) To get to the **T**eacher **R**esource **L**ink- (2 ways)
 - Select either of the Gold Keys on left side of the Course Roster

- Click on the RESOURCES icon in the blue banner bar

Student Search

At the very bottom of every screen inside of SLDS, is a Student Search Feature

Search By GTID		Search By Year, System, School, Grade and Student					
<input type="text"/>	<input type="button" value="Search"/>	2012	Dundee District	Fort Benton High School	Please	Please select	<input type="button" value="Go"/>

You can search by GTID or by Name

To search by GTID, enter the desired student's GTID in the Appropriate box and click "Search"

To search by Student's Name, Select the appropriate selections from the Dropdown Boxes.

- 1) Select the desired School Year
- 2) You will not be able to change the School District
- 3) Select the school where the desired student attends
- 4) Select the grade level of the desired student.
- 5) Pause for a few seconds, the Name Dropdown will populate with available student list
- 6) Select the desired student from the List of students
- 7) Click on "Go"
