

# Preschool STARS

## Specialized Preparation for a Lifetime of Learning

The Carrollton City School System offers a preschool program for children with special needs, called Preschool Specialized Therapy And Readiness Services, or Preschool STARS. The program provides early intervention, assessment and educational services to disabled or delayed preschoolers ages 3 to 5.

For children who live within the Carrollton City limits, the program is free.

For more information about Carrollton City Schools Preschool STARS, or if you would like to make a referral, please email [stars@carrolltoncityschools.net](mailto:stars@carrolltoncityschools.net) or call our Special Education Department at 770-834-7077.
