MEMORANDUM

TO: System Test Coordinators
System Curriculum Coordinators
System Special Education Directors

FROM: Melissa Fincher, Deputy Superintendent for Assessment and Accountability

SUBJECT: Nomination of Educators for Georgia Milestones Standards Validation Meeting

The Georgia Department of Education (GaDOE) is seeking nominations for highly-qualified educators to participate in a **Standards Validation** meeting for the **End of Course (EOC) Science and Social Studies** assessments now aligned to the Georgia Standards of Excellence (GSE). This meeting will be held on November 7, 2017 in the Atlanta area.

System Test Coordinators, System Curriculum Coordinators, and/or System Special Education Directors should collaborate and submit the names of highly-qualified teachers in the identified content areas/courses. Districts may submit up to **4 nominations**. To ensure that an adequate representation of educators from across Georgia is selected, we ask that you submit names across a range of science and social studies courses, as follows:

	Content Area	Courses	# of nominees requested
End of Course	Science	Biology	1
		Physical Science	1
	Social Studies	United States History	1
		Economics/Business/Free Enterprise	1
Total			4

In preparation for the meeting, GaDOE will select participants to ensure a representative sample across the state based on content area. To help ensure a balanced, representative committee, districts are encouraged to nominate both first-time participants as well as educators who have participated in the past. Please note that **not all nominees will be selected**.

Please submit nominations, using the link provided below, during the period of September 22 – October 6, 2017. Nomination *does not* guarantee invitation to an event. Only those who receive an official email invitation for an event may attend.

- receive recognition for their contributions to teaching and learning; and/or
- bring a fresh perspective to the Georgia Milestones Assessment System development process.

NOMINATION PROCESS

1. Establish a nominee pool; the nominee's direct supervisor(s) should approve participation.

Specific meeting details will be provided when the event invitation is sent. Invited educators must confirm acceptance of the invitation and will be provided instructions to do so.

Certain expenses are covered for meeting participants. Substitute reimbursements to the local school/system will be made for the actual cost of providing the classroom substitute. Unfortunately, we are unable to reimburse expenses for any additional fees incurred by the system (such as to a vendor) to procure substitutes. Mileage will be reimbursed at the rate stipulated in current state travel regulations. If a participant meets the criteria provided in state travel regulations for hotel accommodations, lodging will be covered as well. Breakfast and lunch are provided as part of the meeting. For those who are eligible, dinner reimbursement is for an amount up to \$20.00. An honorarium is offered for teachers not under contract on the day of the meeting.
