

System Test Coordinator Training

Georgia Milestones School Test Coordinator Online Training

Online Training Through TKES/LKES in SLDS

- Log into SLDS
- Click on the PL tab

- To find the course, you choose “Course Title” search box, enter test coordinator and click the magnifying glass.

- Register for the course.
- Find the course under Registered Training.
- When you have finished the course and received 100% on the quiz, you can print your certificate. Wait ½ hour and return to the training link in SLDS to find the View Certificate link.
