## End-of-Course Assessment

### United States History

Spring 20YY

The Georgia Milestones Assessment System spans grades 3 through high school and measures how well students have learned the knowledge and skills outlined in the state content standards in English Language Arts, Mathematics, Science, and Social Studies. Georgia Milestones provides information about each student's achievement and readiness for his or her next level of learning—be it the next grade, course, or endeavor such as college or career.

This report summarizes your student's performance on the Spring 20YY Georgia Milestones End-of-Course (EOC) Assessment. The first page provides an overview of the student's overall performance on the EOC for a particular course. The second page provides more details about your student's performance.

Comparison to a National Sample of Students	
National Percentile Range	
Your student's performance can be compared to other students nationally in Social Studies. The national percentile range is based on his or her estimated score on <i>TerraNova</i> , a nationally-normed achievement test. A national percentile range of 02-18 means that your student performed as well as or better than 02 to 18 percent of the national norming group. The national percentile range is based on his or her estimated <i>TerraNova</i> score ± the standard error of measurement.	<b>02-18</b>
