Participants from Georgia said:

In 2017-2018, 1,251 students completed 734 projects, reaching approximately 193,318 people.

Why did we compete in STAR Events?

Participants from Georgia joined over 20,000 students competing in STAR Events. Students reported participating to increase leadership skills, to apply college and career-readiness skills to future goals, to meet personal, school, or community needs, and to learn and have fun!

How useful are STAR Events for my future?

Georgia students reported, along with 90% of all national participants, that these events are very or extremely useful as they prepare for future experiences.

Top skills we develop through FCCLA:

- Awareness of Community or World
- Conflict Resolution and Respect
- Creativity
- Decision Making/Problem Solving
- Leadership
- Professionalism and Integrity
- Working with Adults
- Public Speaking/Communication
- Responsibility/Time Management
- Self Confidence
- Specific Career Skills
- Teamwork
- Technology and STEM Skills

These skills align with the Employability Skills Framework – skills required to be college and career ready - and support FCCLA’s mission to promote personal growth and leadership development through Family and Consumer Sciences education.
