FYI...AgEd

- We are in the process of budget clean up. Once completed, and the SBOE approves in November/December, you will receive an updated/revised AgEd budget sheet to upload to the ConApp. This will only occur if you had changes to your AgEd requests since May 2019.
- If you plan to add a Teacher or new Ag program at the high school or middle school level, you need to let us know by **January 17, 2020**. This allows local legislators to know why funds are needed. Legislators like to know they are helping their constituents and not the masses.
