Test Ordering Information:	Once an administrator has been designated to order on-line exams for students, the administrator must register as a ServSafe.com user and will need to "Create a New Profile" at the ServSafe website. • To create a user profile, go to: https://www.servsafe.com/access/SS/UserProfile/UserLogin • Click the "Create New Profile" button in the New User Section. • On the New User Registration Screen, complete all the fields. • Click the "Save" button at the bottom of the screen. • The "Welcome to the ServSafe Food Handler Program" displays. • Under the "Administrators" Menu on the left, select "Manage Courses."

	• Click the "Drop Down Arrow" and select "ServSafe Food Handler On-line Course." • After selecting the course, the Course Management screen displays the Management Options section with the Assign Courses tab automatically selected. There are three ways to assign courses – be email address, by ServSafe User ID, or by creating a Course Key. • Once courses have been assigned, can then go under the "Administrators" link on the left and select "Buy ServSafe Food Handler Products." • On next screen, click on "Georgia" on the ServSafe Map that displays and proceed to order quantity of exams needed. This link may also be useful: https://www.servsafe.com/Administrators **NOTE:** The on-line course and assessment are purchased as a package. The course can be completed in 60-90 minutes. The on-line assessment will not be accessible until the student finishes the course.
Proctoring Guidelines:	Although narrative on the ServSafe website states that the ServSafe Food Handler Certification On-line exam is a non-proctored exam, the CTAE Division at the Georgia Department of Education requires that this exam be proctored as all other End of Pathway Assessments are, in an appropriate, proctored, school testing lab setting.
