

CTAE PATHWAYS

Elementary Activity Books

Presented by:

Savannah Chatham County Public School System

Dr. Angie Lewis, CTAE Director

Mrs. Bettina Tate, CTAE Supervisor

February 7, 2014

Overview

The Career, Technical and Agricultural Education (CTAE) Department of Savannah Chatham County Public School System developed elementary activity books to bring awareness to the career preparation and career pathways available to students within the school system.

Overview Continued

- Activity books were developed for grades 1-5 by pathways as recommended by GADOE.
- Each activity book contains:
 - Purpose of the activity book
 - State developed “Elementary Tracking Form”
 - Grade appropriate, fun, and challenging activities
 - CTAE contact information

Overview Continued

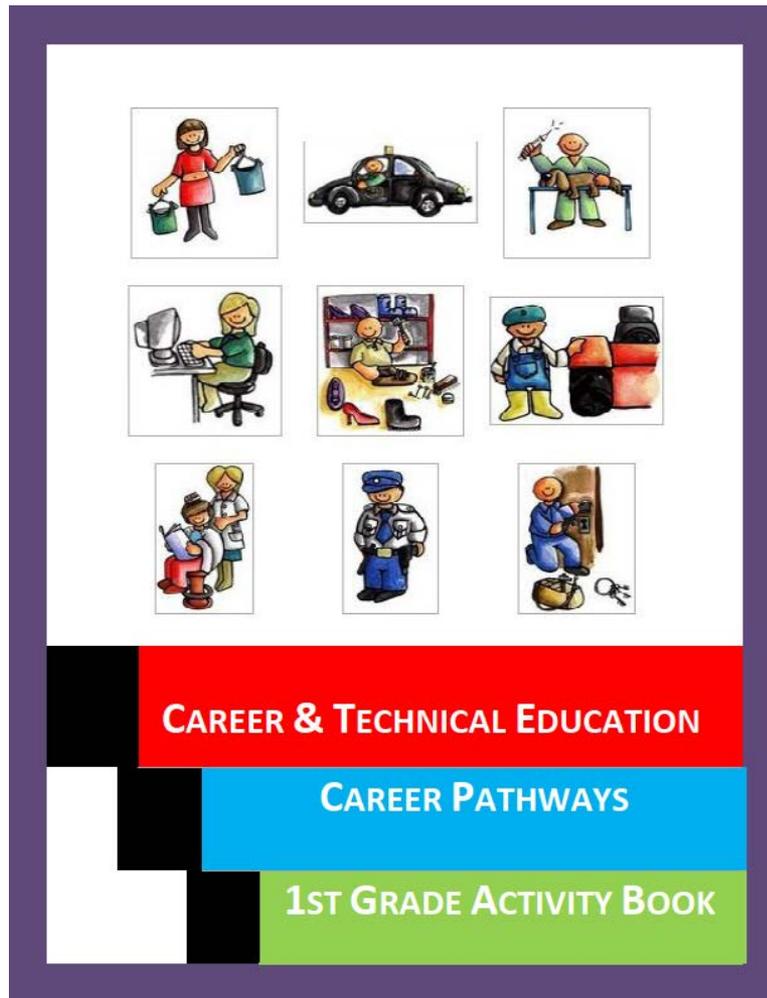

PURPOSE

- To bring awareness of career preparation and career pathways within the school system.
- To assist elementary schools with meeting expectations of the College and Career Readiness Performance Index (CCRPI) elementary portfolio as required by the GADOE.
- Designed to enhance students' basic academic skills while raising awareness about work skills and future career options.

How are the books used?

- Counselors use these books to:
 - introduce careers during in-class activities
 - track/document completed career activities as required by HB 713
 - introduce students to the pathways available at the middle and high school levels
- Teachers use these book to:
 - enhance students' basic academic skills
 - expand on career related lessons
