Why are we looking at Recruitment and Retention and Professional Development?

Perkins V legislation --

• Perkins V Section 134(c)(2)(D)

• (D) A description of how the eligible recipient will improve recruitment, retention, and training of career and technical education teachers, faculty, specialized instructional support personnel, paraprofessionals, and career guidance and academic counselors, including individuals in groups underrepresented in such professions.

What the Law Means

Hiring, equipping, and keeping diverse educational faculty and staff that can offer the highest quality CTAE to all students is critical to Georgia’s Career, Technical and Agriculture Education. Eligible recipients must evaluate deficits in their faculty and staff recruitment, retention, and professional development.

Gather & Analyze Data – Ground your evaluation in:
This is a SELF Assessment

The more you dig into the data, the more $ you have to spend!
YOUR DATA

How do you evaluate deficits in faculty and staff regarding:

1. Recruitment, Retention, and Professional Development?

Which pathways do you need to develop or recruit faculty and staff due to:
- looming retirements,
- growing student interest and/or emerging priority employment areas?

2. How diverse is your faculty and staff?
- To what degree does it reflect the demographic makeup of your student body?
- What processes are in place to recruit new educators?

3. When and how do faculty, staff and administrators have opportunities to work with and learn directly from representatives of business and industry?

4. How does the LEA support CTAE teachers striving to upgrade skills and knowledge through professional development?
Which pathways do you need to develop or recruit faculty and staff due to:
- looming retirements,
- growing student interest and/or
- emerging priority employment areas?

Look at your data:
- Labor Market Data
- Emerging market data – what’s coming or could be on the horizon for your community?

Are your current pathways relevant?
- If yes, do you have the right faculty and staff?
  - What training and/or recruitment is needed to replace retirees?
- If no, what areas are relevant for your community?

Other Factors to Consider:
- What are students’ interests –
  - YouScience & Aptitude Instruments
- What ARE the current or emerging industries in your area?
  - What skill sets are they seeking?
Look at your data:
• CPI data – program areas
• Student demographic data
• Instructor demographic data
How closely do they resemble each other?

What are your recruitment tools?
• Do they address your demographic gaps?
  • This will tie into your OCR report
  • What are some novel concepts for recruitment to address these gaps?
    • Teacher subdivision – housing & social needs
    • Paid externships in summer to close salary gap
Look at your data:

- Externships
- Advisory Boards
- Member of:
  - Chamber of Commerce
  - Rotary Club or other civic groups
- Bus Tours – Admin goes out into industry workplaces
- Partners in ED – local business who supports your schools
- Possible EXCHANGE experiences
  - Teacher for a day - Industry partners come in to teach for a day
  - Principal for a day – industry comes into the school leadership job
Is your professional development **Sustainable, Relevant and Quality based** for your CTAE teachers? Each of them !! Contents are different 😊

- **Relevance**: By content area and industry driven
- **Sustainability**: Attending PD at local and state level on annual basis?
  - Can knowledge gained at PD be continued at the school level for an extended period of time?
- **Quality**: Did teacher evaluations show information was useful and presentation engaging?

**Resources:**
- Professional Development through CTAERN – Cluster and Pathway specific
- Externships
- New Teacher Workshop – See Flyer in Winter Conference Documents
  - Pre-Conference at GACTE on July 14
  - New Teacher Conference on September 22-23
- Professional Learning Communities (PLC) - Teachers in same content area collaborate
Who can help answer these questions?
