Benefits of Counselor Companion/My Career Plan

Richard Woods,
Georgia's School Superintendent

- Counselors/admins will have easy access to a variety of counseling resources.
- No separate usernames and passwords for GCIS for students or admins.
- No need to create "My Portfolios" for new students.
- If students already have GCIS "My Portfolios," their information will be accessible.
- No need to transfer students' "My Portfolios". When a student transfers to another school, the "My Portfolio" will move with the rest of the student's records in SLDS.
- Students or administrators will not be able to create multiple student accounts as the "My Portfolio" will be tied to the student's unique GTID.
