

Perkins V Frequently Asked Questions

1. **The CLIP is typically turned in at the beginning of the school year (August). How will CTAE's May 15 deadline be able to capitalize on district's plan when it will not yet be complete/submitted/approved?** While the Local Application for Perkins V will be due by May 15th, a district may coordinate and use one CLNA process for its Perkins V and ESSA processes. The Perkins V results and information will also be a part of the District Improvement Plan.
2. **Will districts who use the S-CLIP (streamlined) be able to fold CTAE/Perkins work into that? This is still being determined. How will additional Perkins info. fit if our district doesn't use Online Clip for Federal Programs?** Districts using the S-CLIP (streamlined) for ESSA will still be able to use the S-CLIP. Whether Perkins V will be a part of the S-CLIP is still being determined.
3. **What new indicators are we going to be responsible for?** Science (2S3), Participation in WBL (5S3), and Pathway Completion (5S4)
4. **In Perkins V, can I spend my funds/budget similar to Perkins IV?** No, each expenditure needs to be related to a need expressed by the CLNA process and contained in the Local Application.
5. **Are we able to purchase copies of the Georgia Alignment Toolkit: Resources for Connecting Education and Business for local stakeholders?** If not, can we get the PDF to print our own copies? A link for the document is located at <https://www.gadoe.org/Curriculum-Instruction-and-Assessment/CTAE/Documents/GaDOE-Alignment-Toolkit-Report.pdf> Local systems may use this file to print copies of the Georgia Alignment Toolkit.
6. **The suggested CLNA Team members does not include the local WIOA Coordinator. Shouldn't that person be included?** Yes, the local WIOA Coordinator serves in the "Representatives of State or Local Workforce Board" role.
7. **For a charter system, how do we get a copy of our charter and what we waived?** Your region coordinator should be able to help you access a copy.
8. **Can GaDOE provide a Perkins V overview presentation to be used at meetings and to inform stakeholders?** Yes, this will be coming soon.
9. **Will the district update the need assessment yearly or every 2 years? The Consolidated Local Needs Assessment (CLNA) will be conducted every 2 years.** Every year while completing the Local Application and budget, the identified needs will need to be re-visited and updated. The process will continually be refined and improved.
10. **Will the CTAE Direction have to submit info to the Title I Dire to put into the CLIP or will the CTAE Director have access to the Title I CLIP?** The CTAE Director will have direct access to their portion of the CLIP.
11. **So, if the CLNA will go through the CLIP as Federal programs do, then will CTAE directors have to wait until all portions of the CLIP is approved before the budget can be approved? Some/many CLIP submissions are not approved until September.** The CTAE budget will be able to be approved apart from the other portions of the CLIP. The same or similar deadlines are planned for Perkins V as were used for Perkins IV (May 15th for Local Application and September 30 for budgets).
12. **Has the state released the FY19 CTAE graduation rate?** The FY19 CTAE Graduation Rate should be released very soon.
