 - **Three full** credits in 2016
 - **Four full** credits in 2017
- **Course list can be found on GACollege411.org**
 - System will check high school transcripts for the course number, not course name

House Bill 405

- **HB 405: “(g) At the conclusion of each school year, the local school system shall provide to each freshman , sophomore, and junior student or to his or her parent or guardian the grade point average calculated by the Georgia Student Finance Commission in accordance with the provisions of this Code section to determine HOPE eligibility.”**
- 
- **Schools are required to upload transcripts to GSFC**
 - **GSFC calculates the GPAs**
 - **Schools are then required to provide this information to the students and/or their parent/guardian**

House Bill 810

- **HB 810: Students that complete an unaccredited home study program, graduate from an ineligible high school, or earn a General Educational Development diploma (from TCSG after June 30, 1993) may be eligible for HOPE at Tier 1, if they score in the eightieth percentile (80%) on a single national test (SAT or ACT)**
- 
- **Lowers HOPE eligibility for unaccredited graduates**
 - **Current: SAT/ACT scores in the 85th percentile eligible for HOPE**
 - **Effective July 1: SAT/ACT scores in the 80th percentile eligible for HOPE**

Zell Miller Grant

- **New program effective Fall 2014**
- **Students pursuing a certificate or diploma at TCSG and USG schools**
- **GPA requirement**
 - Minimum 3.5 cumulative postsecondary GPA
 - First term of enrollment will be paid retroactively if the student has the required 3.5 GPA
 - GPA checked at the end of each term
 - Students that lose the Zell Miller Grant at the end-of-term checkpoint, may regain it if they have the required minimum 3.5 GPA at the end of the next term

Zell Miller Grant

- **Award amount is the standard undergraduate tuition, up to 15 hours**
- **Students may receive the Zell Miller Grant up to 63 paid or combined paid hours (HOPE Grant and Zell Miller Grant)**
- **Joint or Dual Credit Enrollment students are *not* eligible for Zell Miller Grant**
- **Zell Miller Grant students are eligible for Strategic Industries Workforce Development Grant (SIDWG)**

HOPE Grant vs. Zell Miller Grant

HOPE Grant

First term is paid retroactively if student has the required 3.5 GPA

Eligible for Strategic Industries Workforce Development Grant

Student Access Loan Programs

- **Includes Student Access Loan (SAL) and Student Access Loan – Technical (SALT)**
- **SALT created from FY 2015 budget, House Bill 744**
- **FY 2015 budget**
 - SAL: \$19 million
 - SALT: \$10 million
- **Interest rate 1% for the life of the loan, including repayment**
- **In the event of default, interest rate reverts irrevocably to 5%**
- **TCSG applicants must apply for SALT prior to consideration for SAL**

SAL Application and Selection Cycles

- **Application Cycle 1: May 19 – September 2, 2014**
- **Application will be open every day during Cycle 1**
- **Four random selection cycles will take place during Application Cycle 1**
- **On the selection dates, the selected applicant list will be placed in SURFER inboxes and in SAL section for school certifications**

SALT Application and Selection Cycles

- **Application Cycle 1: May 19 – September 2, 2014**
- **Application will be open every day during Cycle 1**
- **SALT applications will be selected on a first come, first served basis and the time and date will be electronically recorded**
- **The applicant list will be placed in SURFER inboxes and in the SALT section every two weeks on Wednesdays for school certification**

2014 Final HOPE GPA Processing

- **Review Profile data in the Professional Center before processing final transcripts**
- **Deadline: Monday, June 30, 2014**
 - Upload transcripts
 - Complete verification process
- **HOPE GPAs must be verified before students can review their GPAs through their GAcollge411.org accounts**
- **HOPE Eligible Scholars Report and the HOPE Ineligible Report must be verified to complete the 2014 HOPE GPA processing by the deadline**

FAFSA Completion

Background

- **As the Federal Student Aid State Administrator, GSFC receives the Institutional Student Information Records (ISIR)**
- **The ISIR contains processed student information reported on the FAFSA**
- **GSFC receives all Georgia high school students' transcripts**
- **GSFC captures FAFSA completion data for the state of Georgia**

Benefits

- **Identify students who have or have not completed the FAFSA**
- **Provide aggregate data by school and district of FAFSA completions**
- **Students seeking higher education will be knowledgeable of the availability of financial aid**
- **Postsecondary institutions can use the aggregate data in recruiting efforts for first generation or low-income students**
- **Increased FAFSA numbers = Increased postsecondary enrollment**

FAFSA Completion Tool

- **Aggregate data accessible from GAcolllege411.org**
- **Reports updated weekly with most recent FAFSA completion data**
- **Individual FAFSA completion status posted in STARS 2.0 accessible through GAcolllege411.org**

FAFSA Completion Tool

- **Provide targeted outreach to identify ways to successfully increase FAFSA completion**
- **Communicate directly with high school seniors and families about the importance of FAFSA completion**
- **Coordinate efforts with other programs such as College Goal Georgia**

Original Agreement with XAP

GAcolllege411.org

Decision to Change

Strengths	Weaknesses
GSFC's marketing and promotion of website.	XAP as our vendor.
Established relationships with school counselors, DOE, USG and TCSG.	XAP is slow to respond to request for new features from GSFC, DOE, USG and TCSG.
Outreach activities of GSFC field staff.	Most projects not completed on time.
Website has good and useful information.	Website performance is inconsistent.
Established product, users are familiar with current functions and features of website.	Poor customer service for GSFC and partners.
Existing infrastructure.	Loss of customers due to persistent technical difficulties.

2014 – 2015 Objectives

- **GSFC's number one objective for 2014 -2015: select a new vendor and build a new website**
- **Improve reliability and performance**
- **Implement new features and enhancements**

Strategy

- **Entered into agreement with GSU/GCIC December 2013**
- **Site is currently under development**
- **Merge functionality of GAcollge411.org and Georgia Career Information System (GCIS) websites**
- **Migrate GAcollge411.org data to the new website**
- **Host new website at GSFC**

Benefits

- **Improved product**
- **Improved service**
- **Flexibility and control**

New Features and Functions

- **Enable single account login for access to all areas of the website**
- **Streamline account creation process**
- **Provide schools the ability to reset passwords**
- **Eliminate opt in – opt out requirements for data access**
- **Provide sitewide search and site map for easy navigation**
- **Enhance “Help” function**

Transcript Exchange/GPA Processing

- Calculate HOPE GPAs multiple times on a daily basis
- Enable student transcripts to be printed in batch
- Allow updates to student Social Security number and name on transcripts until final records verified
- Ability to delete transcripts up until final transcript verified
