#CTAEDelivers Middle Grades CTAE

First

Georgia has designed middle grades CTAE to:

- Be equitable and inclusive of each student
- Be anchored in careers
- Be standards based
- Be grounded in experiential and hands-on learning
- Balance breadth and depth across the curriculum
- Be integrated into the broader K-12 career development system
- Focus on student growth
- Involve dedicated instructional time
- Include intentional and meaningful employer engagement
- Be communicated effectively to students and their families

Second

These principles are applied through these core programmatic elements of middle grades CTAE:

- Standards, Curriculum, and assessment
- Career structure and scheduling
- Experiential learning
- Teachers and leaders measurement
- Data and assessment

In Turn

Middle grades CTAE students will:

- Gain awareness of and exposure to a wide array of careers
- Increase self-awareness and begin to form their potential occupational identity
- Develop employability skills
- Develop foundational technical skills as appropriate
- Be positioned to make more informed educational choices
- Transition to high school with an actionable plan for next steps

CTAE Georgia's
GaDOE Career, Technical, and Agricultural Education

CTAE DELIVERS REAL OPTIONS FOR COLLEGE AND REWARDING CAREERS
Through CTAE, students can start their path toward a career that they are passionate about, while earning valuable experience, college credits and more.

CTAE DELIVERS REAL-WORLD SKILLS
CTAE is a unique opportunity for hands-on learning – building students' skills and confidence in the real world.
CTAE provides the skills and confidence students need to pursue career options, discover their passions and get on a path to success.
Students in CTAE programs and their parents can choose from an array of options that are "real-world" based and their children will be more prepared to succeed in college or to parents and students not involved in CTAE.

18/20
OF THE HIGHEST GRADING DISTRICTS IN THE NATION, 18% OF THE HIGHEST TECHNICAL DISTRICTS

CTAE DELIVERS A REAL HIGH SCHOOL EXPERIENCE WITH MORE VALUE
CTAE programs are a part of high school – at adults see's satisfaction in CTAE are the other activities they enjoy, such as sports, the arts or extracurricular that breaks up their day.
CTAE allows students earn credits during their high school experience – a great way to increase their graduation chances, earn high- and rewarding job opportunities of their own choice.

JUST 2%
OF THE HIGHEST GRADING DISTRICTS IN THE NATION, 2% OF THE HIGHEST TECHNICAL DISTRICTS

Make it a priority to teach students skills that make them employable. How can you help change this in your school?

CTAE Acronyms

CDEs – Career Development Events

FFA Career Development Events (CDEs) are contests that members compete in to test their skills learned through agricultural education instructions

CTSO – Career Technical Student Organization

CTSOs are co-curricular organizations with leadership programs and competitive events which reflect current curriculum standards and competencies for the instructional programs they serve. Co-curricular means curriculum-based competitive events which reinforce standards, Instructional time within the classroom, integrated with curriculum, incorporated into lesson plans, leadership development through real world application, as well as trips centered around career path and career exploration. The current list of approved CTSOs is: CTI, DECA, FBLA, FCCLA, FFA, First Robotics, HOSA, Skills USA, and TSA.

EOPA – End of Pathway Assessments

Georgia implemented a measurement mechanism that would ascertain the technical skill attainment level of students participating in career and technical education courses. These mechanisms are valid and reliable technical assessments aligned with industry-validated standards.

Industry Certification

When a CTAE program becomes industry certified, the program receives a "stamp of excellence," which represents the apex of program quality. Only those programs which successfully undergo rigorous reviews by leaders from business and industry are recognized with this distinction.

WBL – Work Based Learning

YAP – Youth Apprenticeship

Top Gun

Twenty teachers/WBL coordinators are invited to attend the Top Gun training, representing all regions of the state. Participants learn to use marketing and public relations toolkits to more effectively market and brand their program and increase connections with the business and industry sector. Other topics included increasing employability skills in high school students, matching education to economic development needs, and improving the quality of student placements and mentoring.
