CTAE DELIVERS REAL OPTIONS FOR COLLEGE AND REWARDING CAREERS
Through CTAE, students can start their path toward a career that they are passionate about, while earning valuable experience, college credits and more.

CTAE DELIVERS REAL-WORLD SKILLS
- CTAE is a unique opportunity for hands-on learning – putting students at the center of the action.
- CTAE provides the skills and confidence students need to pursue career options, discover their passions and get on a path to success.
- Students in CTAE programs and their parents are three times as likely to report they are "very satisfied" with their and their children’s ability to learn real-world skills as part of their current education compared to parents and students not involved in CTAE.

CTAE DELIVERS A REAL HIGH SCHOOL EXPERIENCE WITH MORE VALUE
- CTAE programs are a part of high school – students can participate in CTAE and the other activities they enjoy, such as sports, the arts or whatever else their friends are doing.
- CTAE takes students even further during their high school experience – providing opportunities for specialized classes, internships, and networking with members of their community.

Make it a priority to teach students skills that make them employable. How can you help champion this in your school?
