Counseling & Social Services

**Learn How to Create Trauma-Informed School Environment**

The National Child Traumatic Stress Network created a resource for schools to utilize to help schools create trauma-informed environments that address the needs of all students, staff, administrators, and families who might be at risk of experiencing the symptoms of traumatic stress. [Go to the webpage to download a PDF copy of the resource.](#)

**View Adolescent Connectedness Webpage**

The Centers for Disease Control and Prevention released findings that suggest that youth who feel connected at school and at home were less likely to experience health risks related to mental health, violence, and substance abuse in adulthood. [Access the new Adolescent Connectedness webpage for more information.](#)

Healthy School Environment

Visit a Virtual Playground

The Centers for Disease Control and Prevention has an interactive online tool that incorporates the components of the Whole School, Whole Community, Whole Child model. Visit the virtual healthy school playground to see how it promotes healthy activity.

Health Education

Educate Your Students About the Dangers of Mixing Medications

The National Institute on Drug Abuse and Scholastic created “A Dangerous Mix” for 6th to 12th grade students addressing the potential dangerous effects associated with mixing medications and over the counter drugs. Download a PDF copy of the teacher’s guide, and visit the webpage to view the complete lesson.

Lesson Plan Addresses Sun Safety

Young people need at least 60 minutes of physical activity each day, and many of them will be meeting those daily goals outside. Visit Kids Health in the Classroom to teach high schoolers about skin cancer and sun safety. Access the webpage and scroll to the Skin Cancer resources.

School Health Services

Return to School Post COVID-19 Closure Considerations for Students with Disabilities and Special Healthcare Needs

NASN has produced this document to guide school nurses when planning for return to school for students with disabilities and special healthcare needs as defined by Section 504 or IEP Teams.

Community Involvement

Take a Virtual Tour of Stonehenge

One of the biggest mysteries out there is the origin of Stonehenge. Now is your chance to take a virtual tour of this amazing creation. Visit English-Heritage.org.uk and your adventure awaits!

View Tiger Webcam

Do you love tigers? If you do, check out the tiger webcam from the San Diego Zoo. Watch them play!

Try Fun Kitchen Helper Activities

Looking for ideas to get your little children involved with fun kitchen tasks? Look no further than the U.S. Department of Agriculture’s Kitchen Helper Activities PDF. Encourage your children to wipe the table, add ingredients, and so much more.

View Hippo Webcam

The San Diego Zoo has a new hippo webcam for folks to watch while they are home. Prop your feet up and watch the action!

Nutrition Services

Play Online Choose MyPlate Blast Off Game

Do you want to teach your students how to make smart food choices and increase physical activity? Play the online Blast Off game, brought to you by U.S. Department of Agriculture’s Choose MyPlate. Play the game today!
Employee Wellness

Learn About Extreme Heat and Employee Safety
Did you know that heat kills more than 600 people in the United States each year? Preventing heat-related illnesses is important for everyone. Visit the CDC page to view more information.

Funding Opportunities

Apply for Parent-Led Program Funding
Act now, parents! Apply for a Parent for Healthy Kids grant that will provide funds and support to increase physical activity or nutrition initiatives while promoting students' social emotional learning. The application deadline has been extended to August 31, 2020.

Get a Salad Bar in Your School
Does your school have a salad bar? If not, apply for a grant from Salad Bars to Schools. Applications are accepted year-round and are reviewed in the order they are received. It may take up to 12-14 months to fund a school salad bar. To qualify, the salad bar must be part of the reimbursable meal served in your district.

Apply for ALDI Smart Kids Grants
ALDI is partnering with local organizations to make a positive impact on kids’ health and wellness. Grant funds can be used to support children through education, arts, or other activities that help kids stay active and healthy. Applicants can request either cash or ALDI gift cards ranging in value from $100 to $5,000. The application deadline is December 15, 2020. For more information on the program, visit the Aldi Smart Kids webpage.

Target Field Trip Grants
Since 2007, the Target Company has donated more than $16 million in grants to the improvement of education. Each Target store in the United States will award three Target Field Trip Grants, enabling one in 25 schools throughout the country to send a classroom on a field trip.

Firehouse Subs Public Safety Foundation AED Grants
- August 19, 2020 at 5 p.m. for Quarter 4 2020 Grants
- November 11, 2020 at 5 p.m. for Quarter 1 2021 Grants
- Portal reopens January 1, 2021

Click here to learn more.

Apply for a Community Grant
Do you have an idea for an after-school program that would benefit an underserved community? Apply for a Community Grant from the Walmart Foundation. Click here for more information.
