

Course Number Updates for Move On When Ready

March 29, 2016

11:00-12:00

DUAL ELECTIVE COURSE NUMBERS

- SB 132, MOWR law, changed the numbering of MOWR courses this year.
- “Non-matchable” courses needed to be addressed. Count as electives only.
- Began this year with “M” coded numbers currently used this past Fall and this current Spring semester.
- Numbers have been revised now with different letters for Summer and Fall next year.
- Cannot be used as substitute or replacement for other courses on the list.
- Funding is not affected.

FTE REPORTING ERRORS

What happens if a system gets a reporting error because of entering a MOWR elective course such as:

06.0A054 Dual Enrollment Business TCSG (BUSN 1100 Introduction to Keyboarding)

- Districts should have been informed by Data Collections to contact them if they have cases where a valid MOWR course number is generating an error.
- Data collections will verify that course number, add it as needed, and remove the error with no problem.

**“Sticks & Stones exposed: The Truth Behind Words & Relationships”
(Culture & Climate)**

This hilarious presentation zeroes in on the power of our words and the impact they have on the culture and climate of a school. What kind of atmosphere are our words creating? One in which education professionals strive to work as a strong team for the sake of the children...or one that is breeding an inability to trust and work together. Discover how to transform your classroom and your relationships and how to build a great “community” within your school and your family.
***Additional sessions by Dave Weber scheduled throughout the summer through CTAERN.**
