Possible Student Pathway Credentialing Opportunities:
<p>Students completing a pathway are eligible to take a Credentialing/End of Pathway Assessment (EOPA) upon successful completion of the three required courses in the pathway. For specific assessment information, refer to <a href="http://www.gadoe.org/Curriculum-Instruction-and-Assessment/CTAE/Pages/CTAE-Georgia-Assessments.aspx">http://www.gadoe.org/Curriculum-Instruction-and-Assessment/CTAE/Pages/CTAE-Georgia-Assessments.aspx</a>.</p>

**Related JROTC-Navy Occupations:**  
 Students can continue career pathways by entering the job market and receiving on-the-job training or by entering a technical, 2-year, or 4-year college/university to receive specific job training relating to a managerial/leadership position of choice. Job fields may include government, private industry, entrepreneurship, and non-profit organizations to name a few.

ROTC (Reserve Officer Training Corps) programs offered at various colleges/universities in Georgia and throughout the U.S. train qualified young men and women to become officers in the military services upon graduation from college.

JROTC - Navy
<p>Many high school students enlist in the military, while others continue their education and enter the work force using the valuable leadership and self-discipline skills learned in the Junior Reserve Officers' Training Corp (JROTC) program.</p> <p>Navy JROTC is designed to teach high school students the value of citizenship, leadership and service to the community, personal responsibility and a sense of accomplishment, while instilling in them self esteem, teamwork and self-discipline. The curriculum focus is reflected in the mission to motivate young people to be better citizens.</p> <p>Satisfactory completion of the program at the secondary level can give the student the life and career skills to significantly contribute to success in careers in government, private industry entrepreneurship and non-profit organizations. It can also lead to advanced placement credit in the Senior ROTC program at an accredited college or university, or advanced rank in the armed forces. The military offers numerous credentials and licensing in many different and varied occupational fields.</p>
