Program Description

The Georgia Department of Education (GaDOE) has allocated ARP funds for the **FY22 DLI Start Up Grant** which is a GaDOE-administered, non-renewable, non-transferrable grant for up to \$10,000 thousand dollars used to help start new Dual Language Immersion Programs at public schools in Georgia. A maximum of # 7 Dual Language Immersion Start Up **Grants** will be awarded for the 2021–2022 school year (FY22) in the amount of up to \$10,000 thousand dollars each.

Eligibility

Eligible applicants must be public schools in Georgia

Proposal Review Process

During the review process, each application will be reviewed and scored by GaDOE approved and trained readers/scorers. The readers/scorers will individually assign and record points (1-100) using the scoring rubric. Readers/Scorers may ask grant organizers clarifying questions regarding allowability; however, grant organizers may not speculate or offer opinions regarding the applicant's intent. In the likely event that the number of applications receiving a qualifying score exceeds the number of available grants, only the highest, rank-ordered applications will be recommended for funding. All applicants whose application was scored will be notified via email after the State Board has rendered a decision/approved grants. Decisions are final and an appeal process is not available.

Grant Period

Grant funds will be available March 1, 2022 through December 15th, 2022.

Grant Award Notification

All awards are subject to availability of funds. Grant awards are not final until approved by the State Board of Education (SBOE), and an award notification is sent from the GaDOE.

NOTE: The grant award may be different than the request made in a proposal. This is usually due to differences between available funds and the total amount funded to all grantees. Recipients will receive an award notification via email. The level of funding and effective date of the projects will be included in the notification of the grant award letter.

Accountability and Monitoring the Use of Federal Funds

Awardees must have correctly and completely submitted required close-out documentation. The following are required: Completion Closeout Report (Microsoft Forms); Expenditure Report and Supporting documents for received goods/services. This grant award is made subject to the provisions of all applicable Choose an item laws and regulations and is contingent on federal funding.

Each applicant receiving funding through this RFP must:

- meet the eligibility requirements for the grant described herein, and the applicant has provided all required assurances that it will comply with all program implementation and reporting requirements established through this RFP.
- appropriately use these funds as described in this proposal package.
- participate in two meetings (initial and final) to discuss goals and objectives and progress

To fulfill monitoring responsibilities, the GaDOE requires awardees to submit appropriate fiscal and program documentation following guidance provided by the GaDOE program office.

Should circumstances warrant any changes to the approved plan, the awardee must initiate an amendment request. It is important to note that the SBOE-approved grant plan cannot be changed or altered by any party without an approved amendment. Furthermore, because the grant plan is approved by the SBOE, be aware that amending the budget and/or implementation plan will be limited.

Unauthorized Activities

Proposals will be screened for unallowable activities twice. The initial screening will be during the submission process, and proposals found to contain unallowable activities will be automatically eliminated and not forwarded to the reviewer. After all proposals have been read, reviewer comments will be reviewed. Rubric: Scoring Components
