Good morning world language professionals!

2019 is off to a great start! We have so many reasons to be excited in the area of World Language/Global Education. We now have 8 new courses that will expand options for both Spanish native speakers and for Dual Language Immersion students. Both Seal programs continue to grow at a rapid pace. The International Skills Diploma Seal, established in May 2015, now has 97 participating high schools. During the 2016-2017 school year, 540 Seals were awarded. Last school year, that number climbed to 922 Seals! We are excited to see all of these students getting recognized for their focus on international skills that will make them more competitive in the global Georgia economy. Since May of 2016, when the Georgia Seal of Biliteracy was established, we have seen a near doubling of the seals awarded. In the 2016-2017 school year, Georgia students earned 1,133 seals in 26 participating districts in 7 languages. In the 2017-2018 school year, this number increased to 2,125 seals in 33 districts in 11 languages. We have also recently released new guidance for DLI program administrators about how DLI connects with ESOL and what federal funds can be used and how in support of these programs. Our DLI in a Day professional development day was well attended with nearly 100 teachers in 5 different languages and our first German Immersion Workshop was also well attended with representatives from all of Ga’s current German DLI programs. There is, of course, a lot more but I’ll let you read about that below! Special shout out to Ms. Ferris, our January World Language Educator of the Month! We appreciate all of you and together, we are making a difference for Georgia’s children and future!

A Reminder: These updates are archived on the bottom of our professional development page [here](#) and the calendar has been updated below.

Teacher Spotlight!

• Congratulations again Ms. Ferris at North Springs HS in Fulton county! You are our World Language Educator of the Month for January and we are proud of you! Ms. Ferris graduated from Clemson University in 2003 with a degree in Secondary Education-Spanish and later earned her master’s degree from the University of Salamanca in Spanish Language and Culture. She has been teaching Spanish in Fulton County for 16 years,
11 in a middle school and 5 at North Springs High School where she teaches currently. She has been the world language department chair for 5 years at North Springs as well. Also, for her first 11 years of teaching, she was the varsity boys’ and girls’ swim coach at North Springs, and she is currently in her 10th year of coaching the water polo team. She loves teaching the Spanish language to her students, but even more so, she greatly enjoys teaching the culture. “Seeing my students progress throughout the year is extremely rewarding and makes all of the hard work of being a teacher well worth it! “

- On Saturday, January 19th, The Georgia Department of Education World Languages, in cooperation with the International Charter School of Atlanta and the German American Cultural Foundation held the first German Immersion Teacher Workshop. Attendees came from all of Georgia’s German Immersion Programs to participate in a morning of sharing best practices, networking and discovering new resources to support their work. Thank you to all of Ga’s German Immersion Teachers that came and to those who attended who were interested in becoming Immersion teachers! #WunderbarTogether

- Recently immersion leaders from Atlanta Public Schools interviewed Dr. James Cummins at the La Cosecha DLI Conference. Dr. James Cummins is a Professor with the department of Curriculum, Teaching, and Learning at OISE. Dr. Cummins holds a Canada Research Chair (Tier 1) and has been a recipient of the International Reading Association’s Albert J. Harris award (1979). He also received an honorary doctorate in Humane Letters from the Bank Street College of Education in New York City (1997). You can view it here!

- Congratulations to Mrs. Rita Prescott, German teacher at Union Grove High School in Henry county for being named the 2018-2019 STAR Teacher by one of her students. The impact of world language teachers is significant and meaningful! Frau Prescott has been teaching for 30 years and has taught in Utah, Alabama, Georgia (the longest) and Germany. She has taught German (mainly), English (ESL), Math, and Geography. She loves traveling with students and has taken nearly 15 trips (with them). “Since German teachers are typically solo acts in a school and teach all levels, I get to know my students quite well. I think that is my favorite part of teaching.”
• It was wonderful to spend a day recently with our world language family members in Rockdale County! Performance Assessments, Proficiency targets, Can-Do Statements and WL updates were among the topics discussed. A great team of educators and leadership that is leaning forward into languages and global competence! We are excited to see the developments underway there!
