

MEDAL OF HONOR

CHARACTER DEVELOPMENT PROGRAM

GEORGIA TEACHER TRAINING

This full day training will provide you with all the tools you need to bring the Medal of Honor Character Development Program into your classroom. This **flexible, cross-curricular resource**, which uses the Oral Histories of Medal of Honor Recipients, focuses on how students can use these examples of courage, commitment, sacrifice, integrity, citizenship and patriotism to influence change in their own communities.

There is **no cost for attendance**; your school can be reimbursed for the cost of your substitute teacher. Middle and High School teachers from all subject areas along with counselors, coaches, and administrators are invited to attend.

Attendees will:

- Receive the full curriculum kit at no cost
- Participate in model lessons
- Learn best practices for their classrooms
- Enjoy a complimentary breakfast and lunch
- Be eligible for reimbursement of substitute costs for the training day

Past teacher experiences:

"This is one of the best workshops I've ever been to."
"I have finally been provided with the best character education curriculum."
"The material engages students and extends discussions beyond the classroom."
