N/A	The list of courses below shall become effective at the beginning of school year 2015-2016.		Page 1
N/A	Rule amendment states that once a course is approved by the SBOE, it is also approved to add to the list of state-funded K-8 subjects and 9-12 courses. This Rule amendment separates the text part of the Rule from the actual list of state-funded K-8 subjects and 9-12 courses so that approved courses can be added to the state-funded list on an ongoing basis without awaiting approval by the SBOE for a second time. Updates such as course deletions and clarifications will be provided to the State Board of Education on an ongoing basis.
