Linking Khan Academy and College Board Student Accounts
Why link Khan Academy and College Board Accounts?

► As of early January this year, you are now able to link your College Board and Khan Academy accounts in when you get your PSAT/NMSQT results.

► Linking your accounts will further personalize your practice: the practice recommendations on Khan Academy will be based on your PSAT/NMSQT results.

► All future scores from the SAT, PSAT/NMSQT, PSAT 10 and PSAT 8/9 will also be sent to help customize your practice and recommendations on Khan Academy.

► You will be able to jump right into practice without having to take any additional diagnostic quizzes or practice tests to get personalized recommendations.

*Please note that you can terminate your account linking at any time.*
