

Lifelong Learning Begins Here

Daily and Essential Support

Georgia Public Broadcasting (GPB) is providing daily and essential services to Georgia students, teachers and families to support in-person and remote learning. Leveraging our already robust collection of digital learning resources, GPB Education partnered with the **Georgia Department of Education (GaDOE)** to launch the Georgia Home Classroom initiative on April 1, 2020 at gpb.org/learn.

The initiative includes resources for all grades and subjects, K-12 Remote Learning Plans, Let's Learn GA! video lessons taught by Georgia teachers, K-3 "Getting Ready" guides, and more!
