

Learning Resources for Families
During School & Child Care Closures

The following is a list of free digital learning resources for families that may be used while our nation experiences school and child care closures. The list will be modified as possible.

BrainPOP: This group of websites has 1,000+ short animated movies K-12. Includes quizzes and more, covering science, social studies, English, math, engineering and technology, health, and arts and music.

Website: brainpop.com

- **BrainPOP Jr.** (K-3): Designed to support critical thinking skills and encourage children to ask questions and make connections. Targeted for kids ages 5-9.

Website: jr.brainpop.com

- **BrainPOP ELL:** English language instruction for K-12 English language learners.

Website: ell.brainpop.com

Cox Campus: Offers free, online courses for early childhood educators, families, leaders and community members.

Website: app.coxcampus.org

e-READ KIDS: This free collection of ebooks and audio books is for kids in pre K to fourth grade. It's a mix of fiction and non-fiction titles that can be downloaded onto computers, tablets and smartphones. All you need is your library card number and PIN.

Website: georgialibraries.org/ereadkids

Freckle: Helps teachers effectively differentiate instruction and practice across math, ELA, social studies, and science.
