

Your  
  
IDEAS

can change the  
world!

What is an  
IDEA?

An idea is an original thought.

Where do  
 IDEAS  
Come from?

Ideas come from creative thinking.

Let's read a book  
about a boy who  
has an  **IDEA.**

# SYMBOLS for IDEAS

In the story we are going to read, an egg is used to symbolize an idea. A light bulb is often used as a symbol for an idea too.

# SYMBOLS for IDEAS

In the book the idea was an egg. Why do you think an idea was represented in that way?

Let's do a creative thinking activity now to get our brains active. I want you to spend a few minutes brainstorming ways you have seen ideas represented as images. Then I want you to design your own symbol.

# IDEAS that CHANGED the WORLD

Kobi Yamada wrote the book, "What Do You Do With An Idea?" He was asked in an interview where his idea to write the book came from. Let's read what he said.

"The idea to write *What Do You Do With An Idea?* was born out of a desire to help kids, and really people of all ages, to see that ideas are fragile when they are new. They can be killed with criticism, an eye-roll or an exhale. I think it's important for us all to see the value of our own ideas and to also be kind and supportive of the ideas of others."

# IDEAS that CHANGED the WORLD

Inventor? Artist? Author? Teacher? Mathematician?

Performer? Politician? Social Worker?

Entrepreneur? Historical Figure? Scientist? Explorer?

Think of people who have changed the world with their ideas.

What were their ideas? In what ways did their ideas make changes to the world?

# my IDEAS MATTER

This is what I like to think  
about.

Inside My Head Animation

what do YOU  
like to think  
about?

my  IDEA  
could  
CHANGE  
the  
WORLD

What are some problems  
that you've observed  
around you?

Think of problems you've  
noticed in our school or  
our community.

my  IDEA  
could  
CHANGE  
the  
WORLD

What can we do with  
an idea?  
We can try to solve a  
problem.

  
my IDEA  
could  
CHANGE  
the  
WORLD

Write a paragraph explaining your idea and how it will help solve the problem.

And now for an art project!  
Choose a star shape.

Decorate the star's points  
however you would like. On  
the center of the star write  
what you would encourage  
others to do with an idea.  
Sign your name and cut out  
your star.

Use  
this  
to  
inspire  
you!

Take care of it. Think it through. Make it real.  
Don't give up on it. Create it. Make it happen.  
Nurture it. Write about it. Dream about it.  
Listen to it. Bring it to life. Modify it. Adapt it.  
Expand it. Explain it.  
Let it out. Explore it.  
Share it. Sketch it.  
Nurture it. Develop it.  
Set a goal for it. Use your imagination with it.  
Take it one step at a time. Follow it through.  
Give it your undivided attention. Listen to it.  
Show it off. Put effort into it. Have fun with it.  
Encourage it to grow. Put it on paper. Draw it.  
Let it guide you. Change the world with it.

What do you do  
with an <sup>👑</sup>IDEA?

The last, and arguably the most important thing, for you do to is to share your idea with others.

You are going to make a slide presentation that explains the idea you had for solving the problem that you chose. Let me show you how to use the template, then you can get started.

my <sup>👑</sup>IDEA

my **IDEA**  
could  
**CHANGE**  
the  
**WORLD**

# Ideas Are Important

Explain in your own words where ideas come from and why they matter.

# A Problem I Have Noticed

Explain the problem you are trying to solve with your idea.

# My Idea to Solve the Problem

Explain in detail how you will solve the problem.

# My Ideas Matter

Explain how your idea will help someone else.

# Your Ideas Matter Too

Write some encouraging words for someone else to read who might think that their ideas are not good enough.

# What Do You Do With an Idea?

Choose a fancy font that you like and write what you wrote inside your star shape. Take a screenshot of you holding your colored star and add it to the empty space on this slide to the right.
