**Georgia Mathematics Leaders  
Virtual Pre-Conference  
May 12, 2021  
9:00 AM - 12:00 PM**

The Third Annual Georgia Mathematics Summit will serve as a pre-conference to MathCON 2021, specifically geared toward providing information for district mathematics specialists, mathematics coordinators, and other mathematics instructional leaders. Mathematics leaders will be provided with specific information and strategies to assist them with leading the implementation of the Georgia Mathematics Standards. Networking opportunities will also be made available.
