

MATHEMATICS PROFESSIONAL LEARNING SERIES

in partnership with the

REGIONAL EDUCATION SERVICE AGENCIES (RESAs)

The GaDOE Mathematics Team is partnering with each RESA to provide professional learning on Georgia's K-12 Mathematics Standards, which will be implemented in the classroom with students during the 2023-2024 school year. We encourage all teachers and teacher leaders to attend one of these professional learning sessions. Participants will explore standards-aligned resources to gain a deeper understanding of what it means to teach and learn mathematics.
