

# JIMMY CARTER NATIONAL HISTORIC SITE

Distance Learning Opportunities

The education staff at the JCNHS is committed to sharing the life and legacy of President Jimmy Carter, with every student in Georgia. We are also committed to insuring the health and safety of students, teachers, and park staff. Due to the uncertainty of on-site field trips, we are developing virtual learning opportunities for the 2020-2021 school year.

A virtual learning library of K-12 resources from our archives can be found on our education website .

We also invite teachers to schedule “Ranger Talks” for your students. “Ranger Talks” can be customized to your classroom needs utilizing primary resources from the JCNHS museum to compliment your U.S. History, Georgia History, Government or elementary curriculum about President Carter .
