Georgia’s ESSA Plan

The Every Student Succeeds Act (ESSA)

Georgia’s ESSA Plan details how our state is supporting children and schools with supplemental federal resources.

“With the passage of Every Student Succeeds Act, we have an enormous opportunity to reshape Georgia education and get rid of the standardized one-size-fits-all model that became prevalent under No Child Left Behind.”

- State School Superintendent Richard Woods
Georgia’s Systems of Continuous Improvement

Georgia’s ESSA plan outlines how the Georgia Systems of Continuous Improvement will be the common, multi-tiered framework for supporting children and schools in our state.
What is the CLIP?

• Consolidated LEA Improvement Plan (CLIP)

• GaDOE is required to collect plans that define how LEAs will support their students when accepting federal funds under The Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015.

• The CLIP outlines how LEAs will coordinate all of their supplemental federal fund sources to meet identified student needs in the district.

• The Georgia Systems of Continuous Improvement is the common framework that GaDOE uses to communicate with LEAs about their coordination efforts.
