**Student Plan of Study – Music**

**Current Area of Interest:** Fine Arts/Music - This PLAN OF STUDY should serve as a guide for the next four years. Courses listed in this plan are only recommended coursework and should be individualized to meet each student’s educational and career goals. All plans will meet minimum high school graduation requirements. Applicants to the University System of Georgia and the Technical College System of Georgia institutions should be advised that meeting minimum requirements will not guarantee admission. Postsecondary institutions may set additional requirements.

### Postsecondary Transition:

- Students who will continue their education in a Program of Study at one of the University System of Georgia institutions should prepare to take the ACT or SAT for admissions. Tests for admissions may vary from institution to institution. Contact the selected institution for specific testing information. Additional admissions information can be found at [Staying On Course](http://www.usg.edu/student_affairs/documents/Staying_on_Course.pdf).
- Students who will continue their education in a Program of Study at one of Georgia’s Technical Colleges should prepare to take the COMPASS test for admissions.
- Students who will continue their education and training in the US Military should take the ASVAB assessment.
- Students should utilize electronic college and career databases to select the most appropriate postsecondary opportunities including registered apprenticeships to match their selected career field.
- Students can earn both high school and postsecondary credit while in high school. Georgia has multiple dual enrollment programs, including ACCEL, AP, IB, Dual Hope, Move On When Ready and Articulation.

### Possible Student Assessment Opportunities:

Students completing a pathway are eligible to take a Credentialing/End of Pathway Assessment (EOPA) upon successful completion of the three required courses in the pathway. For specific assessment information, refer to [http://www.gadoe.org/Curriculum-Instruction-and-Assessment/CTAE/Pages/CTAE-Georgia-Assessments.aspx](http://www.gadoe.org/Curriculum-Instruction-and-Assessment/CTAE/Pages/CTAE-Georgia-Assessments.aspx).

**Fine Arts/Music**

Georgia is currently positioned to support the expansion of its influential music industry in the digital age. The state’s pro-business attitude encourages growth and creativity along with increased opportunities for the production of music content and performance. Georgia boasts over 300 recording studios, over 40 annual music festivals statewide, over 50 postsecondary music programs at colleges and universities statewide and an annual economic impact of $3.7 billion for the state.

Music careers are defined by the types of music and very specific concentrations with regard to a music discipline or sub-discipline:

- **Music Business** is any business that specializes in the music/media related business arena such as an advertising specialist, booking agent, and copyright specialist/Music Attorney
- **Music Education** represents an individual educator in the field of music such as a public or private school instructor, church-related music educator, music consultant, college professor or private studio teacher (individual, groups or online)
- **Music Performers** focus on perfecting an individual’s music ability such as performing in a band, ensembles, video, film and soloists.
- **Music Production/Engineering specialization** is the recording/media side of the music industry such as Acousticians/acoustic consultants, audio engineers, audio producers, audio technicians and multimedia Specialist/Developers.
- **Music Theory/Composition artists** arrange, analyze, compose, edit, orchestrate and transcribe music such as the music relates to individuals, ensembles, commercials, events, films, television/video and video games
- **Music Therapists** work within the medical health profession and are employed in rehab centers, correctional facilities, geriatric facilities, hospice, hospitals, and nursing homes
- **Other related occupations**: disc jokey, instrumental repairer, music critic, music historian, music journalist. Students who select this field of study should consider additional courses in a career-related pathway such as Audio & Video Technology & Film.
