

Taking the GACE and adding the Field to your Certification Frequently Asked Questions

1. What are the steps for adding the Computer Science field to my current teaching certification?

There are several steps to add a field to your certification and you'll need login accounts on multiple sites. Use this step-by-step checklist to make sure you're following all the steps to become a CS credentialed teacher.

___ Step 1: Log on to MyPSC account (go to <https://mypsc.gapsc.org/>)

___ Step 2: Request access to the GACE Computer Science Assessment.

___ Step 3: Once request is approved, create a GACE ETS account (go to <https://gace.ets.org/register>)

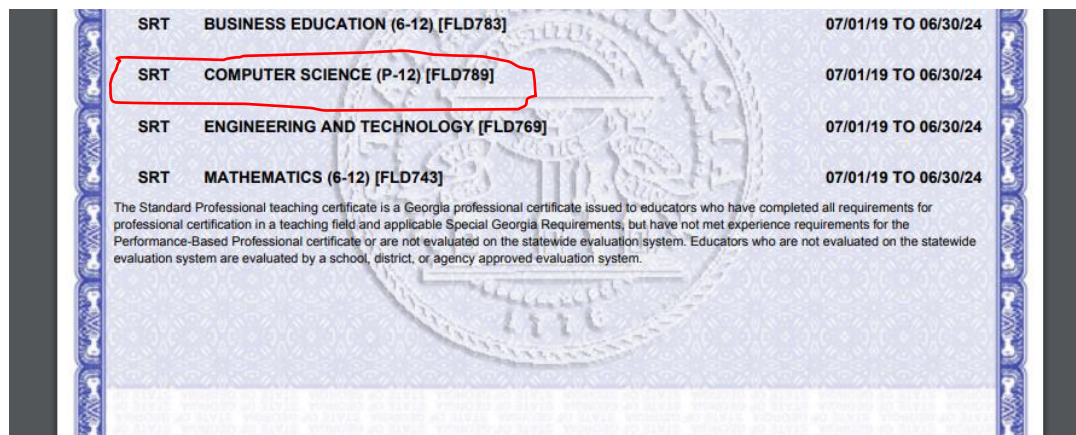

___ Step 4: Register for the test

___ Step 5: Study for the test

___ Step 6: Take and pass the test

___ Step 7: When you pass the test and your score is on GACE ETS, log on to your MyPSC account and request that the credential gets transferred to the site.

Once this checklist is finished, you should see Computer Science on your certificate!
