Program Description

The Georgia Department of Education (GaDOE) has allocated ARP funds for the FY22 Physical Education Project Grant (PEP). This is a GaDOE-administered, non-renewable, non-transferrable grant for up to \$5,000 used to create and/or support sustainable Physical Education initiatives. A maximum of 25 Physical Education Project Grants (PEP) will be awarded for the 2021–2022 school year (FY22) in the amount of up to \$125,000.

Eligibility

Eligible applicants must be a Georgia public school.

Proposal Review Process

During the review process, each application will be reviewed and scored by GaDOE approved and trained readers/scorers. The readers/scorers will individually assign a score between 1 to 100 points using the scoring rubric described in the Rubric Scoring Components section of this application. Readers/Scorers may ask grant organizers clarifying questions regarding allowability; however, grant organizers may not speculate or offer opinions regarding the applicant's intent.

In the likely event that the number of applications receiving a qualifying score exceeds the number of available grants, only the highest, rank-ordered applications will be recommended for funding.

All applicants whose application was scored will be notified via email after the State Board has rendered a decision/approved grants. Decisions are final and an appeal process is not available.

Grant Period

Grant funds will be available from March 25, 2022, through December 15, 2022.

Grant Award Notification

All awards are subject to the availability of funds. Grant awards are not final until approved by the State Board of Education (SBOE), and an award notification is sent from the GaDOE. Recipients will receive an award notification via email. The level of funding and effective date of the projects will be included in the notification of the grant award letter.

NOTE: The grant award may be different than the request made in a proposal. This is usually due to differences between available funds and the total amount funded to all grantees.

Accountability and Monitoring the Use of Federal Funds

Awardees must have correctly and completely submitted required close-out documentation. The following are required: Completion Report (Microsoft Forms); Lesson Plan (1); Project Summary; Artifact (Photo, Video, Infographic, Detailed expenditure report, and supporting documents for received goods/services. This grant award is made subject to the provisions of all applicable federal or state laws and regulations and is contingent on federal funding.
