

Georgia's Tiered System of Supports for Students Announces Cohort 3

Through a competitive application process, seven school districts have been selected to participate in Georgia's Tiered System of Supports for Students (Georgia's MTSS) Cohort 3. The State Team and regional coaches will support implementation for district teams, school teams, students, and families.

Cohort 3 districts include:

- Brooks County School District
- Dade County School District
- Fayette County School System
- Greene County School District
- Ware County School District
- Wilcox County School District
- Wilkes County Schools
