The 7 Habits of Highly Effective Teachers Who Use Technology

1. They always start with the WHY.
   - Do not use technology for technology’s sake.
   - Always have a reason to use technology.

2. They are malleable and can easily adapt.
   - Are innovators and early adapters.
   - Realize that only change brings progress.

3. They embrace change.
   - Are innovators and early adapters.
   - Realize that only change brings progress.

4. They share, share, share, and then share some more.
   - Collaborate beyond school walls.
   - Share best practices to benefit everyone.

5. They think WIN-WIN-WIN-WIN
   - Understand that buy-in necessary from admin, teachers, parents and students.

6. They are extremely thorough and think two steps ahead.
   - Know the answers to questions and have concrete examples.

7. They actively care.
   - Always thinking of ways to engage their students.
   - Embrace technology because it allows them to make a greater impact.

Chrome Web Store - Apps
What are (Google) APPLICATIONS?

Answer:
- Apps are basically shortcuts to websites.
- They run within Chrome's browser, and they may not even require any downloads.
- They show up as icons in your app launcher!
